"Perkuno Namai" (The House of Thunder God) is the first privately operated hotel owned by our family in Kaunas. Opened in 1994, it is situated in a tranquil and prestigious neighborhood bordering the oldest oak forest in Europe. Two styles of architecture have been tastefully blended together on land purchased in 1929 by my grandfather, professor J.Vidmantas; the house designed in 1930 by architect Vytautas Landsbergis - Zemkalnis and the modern hotel building renovated in 1998. Full hotel renovation was made in 2007.

We offer 29 modern rooms - 2 Grand Suites, 6 Standard Suites, 10 doubles and 11 singles designed according to the highest Western European hotel standards. "Perkuno Namai" meets all the requirements of the four star hotel classifications under the new Lithuanian hotel rating system.

The restaurant, capable of seating forty people, is open from 7 a.m. until midnight. We offer the traditional English breakfast and, for lunch and dinner, an "a la carte" menu of international and Lithuanian cuisine. Perkuno Namai's chefs were awarded the GRAND PRIX in the second Lithuanian championship of chefs, bartenders and waiters held in Vilnius in 1998 and our restaurant was recognized as the best restaurant of Lithuania in 1999 and 2001. Our chef has been awarded SILVER and BRONZE medals in the INTERNATIONAL KREMLIN CULINARY CUP in 2005.
